ADVANCES IN CIVIL ENGINEERING

28,29 May 2020

Research papers are invited for the following tracks:

- 1. Construction Engineering & Management**
- 2. Environmental Engineering**
- 3. Geotechnical Engineering**
- 4. Structural Engineering**
- 5. Transportation Engineering**
- 6. Water Resource Engineering**
- 7. Geoinformatics**

The Department of Civil Engineering, Amal Jyothi College of Engineering in association with ISTE Kerala and Indian Concrete Institute is organizing a two day national conference on 28th and 29th of May, 2020.

The conference will provide a platform for subject experts, researchers and business persons to discuss developments and technological advances in their area of expertise.

Research in the field of Civil Engineering is traditionally focused in isolated areas. This trend is gradually changing and the experts are looking towards collaboration. In this conference, applications and impacts of challenges faced in each research area will be taken up for discussion in a general forum consisting of experts from multiple fields. This will help researchers and industry experts to be more inclusive in their work.

The event will be enriched with keynote lectures by

Dr. Veena Venudharan
(IIT Palakkad)

Dr. Anil Kumar
(IIT Palakkad)

DATES TO REMEMBER

Last date for abstract submission	: 01.05.2020
Last date for full paper/poster submission	: 01.05.2020
Notification of acceptance	: 11.05.2020
Registration begins	: 11.05.2020
CONFERENCE	: 28.05.2020

GUIDELINES

Research articles, Full papers/work-in-progress papers, state of the art papers and case studies in the form of papers or posters will be accepted.

All submitted papers and posters will be peer reviewed.

The templates are provided in the conference website.

All submissions should be made through EasyChair Conference Management System.

Poster submissions through conference website.
